

2024 Weinzierlberg 1^{OTW} Grüner Veltliner

Origin	Appellation	Kremstal DAC
	Village	Krems
	Cru	Ried Weinzierlberg 1 ^{OTW}
	Terroir	Loess, Alluvial
Description	A high terrace, which lies in the middle of the city of Krems and is a predominantly flat area, but consistently stony and dry. The Pannonian climate has a strong influence here and produces Grüner Veltliner with a nice fullness and rich apple fruit. Historically one of the nuclei of the Weingut Stadt Krems, which has had vineyards here for more than 800 years.	
	2024 - charming wines with good ripeness and round acidity. The weather was very much influenced by climate change. The bud break happened at the End of March, a month earlier than average. The four frosty nights in the third week of April slowed growth, but also caused significant losses in volume. Consistently warm temperatures and a good water supply ensured rapid ripening. The harvest started at the End of August. In mid-September, huge amounts of rain interrupted the harvest, which ended at the beginning of October.
