**Steiner**  
**Ried SCHRECK**  
Kremstal DAC  
Riesling 2019

## Origin & Vinification

The first mention "Schreck" dates from 1360. Since the density of vines used to be higher in the past, grape thieves could not be identified. In order to keep them away, the tower guard had the task of shouting suddenly from time to time at harvest time. The thieves, scared ("Schreck" = scare) by the shouting, did not take the grapes but their legs under their arms and fled.

The 40-year-old vines are rooted in slated amphibolite and crystalline paragneiss, supported by dry stone walls. The cru faces south. The 0.45 ha plot begins on the ridge and slopes steeply down to the valley via terraces.

The grapes from the Ried Schreck were harvested by hand on 2<sup>nd</sup> October 2019. After destemming the berries macerated on the mash for 3 hours before they were gently pressed. After fermentation of the must, this mineral Riesling aged on the fine lees in the stainless steel tank until July 2020.
