Ried **LINDBERG 1.ÖTW**

KREMSTAL_{DAC}
Grüner Veltliner 2022

The Lindberg is a small Subriede (climat) of the Wachtberg, which is located directly above our winery - the heart, so to speak. It is a lower area of the Wachtberg, which is terraced more steeply and forms a wind-protected basin. Overall, this results in a warmer and more powerful character in the wine. Above all, the wines from the Lindberg manifest their geological origins, which are shaped by the Gföhlne Gneiss, thanks to their salty and smoky nuances.
