Ried **WACHTBERG 1.ÖTW**

Kremstal DAC
Grüner Veltliner 2019

Origin & Vinification

First documented as "Wartberg" in 1137. From the hill you could warn the city of Kreams of enemies earlier. Middle High German: "wait". The spelling Wachtberg can be found from 1689.

The mighty terraces of the Wachtberg range up to a height of 400 meters. The terroir is characterized by the deep loess soil in the lower plots as well as the iron-containing Danube gravel in the top plots. The weathered Paragneiss forms the geological foundation of these soil types. The climate is determined by the strong influence of the Pannonian climate. Weingut Stadt Kreams farms 1.32 ha of Grüner Veltliner in this cru.

On 16th October 2019, the Grüner Veltliner grapes were harvested by hand from this cru. The long aging in steel tanks on the fine lees over 6 months increases the complexity and finesse of this wine.

Food pairing recommendation

Grüner Veltliner is a perfect match for Austrian cuisine, but also matches delicately with spicy far eastern dishes. Especially, we recommend this wine to starters, fried and Asian dishes. Drink it like a great Burgundy-wine from big glasses.
